# THE NORFOLK COMMEMORATIVE HALF DOLLAR

• • •

FRONT

The half dollar commemorates the 300th Anniversary of the Original Norfolk Land Grant and the 200th Anniversary of the Creation of Norfolk as a Borough.

The bill signed by President Roosevelt on June 28th authorizes the minting of 25,000 coins at one mint. The Philadelphia Mint has been selected for the work and all coins will be dated 1936. It is believed the coins will be ready for distribution some time between August 25th and Sept. 10th.

On one side of the coin will appear the official seal of the City of Norfolk. On the other side will be a miniature reproduction of the Norfolk Mace. The Mace was presented to Norfolk when it was a borough—in 1753, by Lieutenant Governor Dinwiddie, as a token of his esteem for the borough. The Mace is one of Norfolk's greatest historic treasures and Norfolk is the only city in the United States with a Mace.

Orders are now being received and will be filled on the basis of "first come, first served," with preference being given to orders with cash, certified checks or money orders. Every possible effort will be made to insure that coins will be distributed to private collectors rather than to dealers. The maximum limit on any one order for any one person is twenty (20) coins. The right to accept or reject any order is reserved.

The price asked for the Norfolk Commemorative Half Dollar is $1.50 for each coin, plus fifteen cents for the first coin on the order and five cents for each additional one, to cover postage, insurance and handling.

William Marks Simpson, a native son of Norfolk and now Director for Rinehart School of Sculpture, Baltimore, Md., prepared and executed the design and model for the Norfolk Half Dollar.

All communications from coin collectors with regard to the Norfolk Half Dollar and to which an answer is expected should contain postage to cover such reply.

Indications are that owing to the popularity of the Norfolk Half Dollar the issue will be over-subscribed, and in view of this numismatists who have not placed orders are urged to act quickly.
